

Gear settings European Junior Cycling Tour Assen

In all participating categories a gearing system may be used. The maximum allowed gear settings "Gear Meter" are as follows:

Cat I - 5.46 m

Cat II - 5.46 m

Cat III - 5.78 m

Cat IV - 5.78 m

Cat V - 6.14 m

Cat VI - 6.14 m

Cat VII - 6.55 m

Nieuweligen (U17) - 7.01 m

Nieuweligen-girls (U17) - 7.01 m

Junior-women (U19) - 7.93 m

Junior-men (U19) - 7.93 m

Gearing restrictions also count for juniors in our race because it's not a UCI-race. It's allowed to block off the gears, as long as you stay within the maximum distance. There will be checks, random and before the time trials.
